- National pricing established across North American markets
- Periodic business reviews to include, but not limited to, spend activity

Experience,
Above All™

Armstrong®
World Industries

Healthy

Make Every Space a Healthy Space

- Indoor Environmental Quality (IEQ) consists of healthy air, impactful acoustics, sufficient lighting, and thermal comfort – all essential to our health and well-being. [Learn More](#)
- 24/7 Defend™ air purification systems work continuously to improve Indoor Air Quality (IAQ). [Learn More](#)
- Total Acoustics® ceilings provide the ideal combination of sound absorption (reduces noise) and sound blocking (keeps noise out of adjacent areas) in one ceiling panel. [Learn More](#)

TOTAL ACOUSTICS®

Net Zero

For People and Planet

- Low Embodied Carbon**
Armstrong is committed to providing low embodied carbon ceiling and wall solutions that help minimize your overall project impact.
- Healthy, Sustainable – and Verified**
All Sustain® products have Health Product Declarations (HPDs), Environmental Product Declarations (EPDs), low emissions certification with UL® GREENGUARD Gold, and are free of Red List “chemicals of concern.”
Using Sustain products can contribute to building certifications such as LEED®, WELL™, Fitwel®, International Living Building Challenge® and Net Zero. [Learn More](#)

SUSTAIN®

Recycle

Old Ceiling Panels to New Ceilings

The Armstrong Ceilings Recycling Program provides an efficient solution to reduce construction waste and embodied carbon on commercial renovation projects.

Since 1999, the nation's first ceiling recycling program has diverted over 200 million square feet of old ceiling materials from going to the landfill. [Learn More](#)

Design Help

Innovative Pre-Construction & Design Services

- ProjectWorks® Design & Pre-construction Service: Fast, no cost, collaborative design, estimating, and takeoffs for unique opportunities [Learn More](#)
- No cost acoustical analysis [Learn More](#)

Save

Off Published Market Prices (Product Dependent)
