AXIOM® for INTERLUDE®

Trim
straight

Axiom® for Interlude

This pre-engineered trim allows the continuation of the Interlude® XL® HRC suspension system visual to meet the perimeter of the ceiling.

KEY SELECTION ATTRIBUTES

- Used exclusively with Interlude® XL® HRC suspension system
- Axiom® trim is part of the Sustain™ portfolio and meets the most stringent industry sustainability compliance standards today
- CleanAssure™ family of products – includes disinfectable panels, suspension systems, and trim (Cleaning and CDC approved disinfecting options available on armstrongceilings.com/cleaning)
- Available in our most popular profile sizes (2", 4", and 6")
- Interlude expansion sleeve (IES3) allows the unique Interlude visual to be extended to the perimeter
- Extruded aluminum trim provides more crisp edge detailing compared to conventional roll-formed steel systems

- Colors coordinate with Armstrong® ceiling and suspension systems; custom colors available (NOTE: 360° paint finishes and custom colors available as special order.)
- Standard 90° factory-mitered outside and inside corners
- Recommended for use with full-size ceiling panels

## COLORS   Due to printing limitations, shade may vary from actual product.
Standard

White
(WH)

Custom Colors
Available*

* Colors that are pre-qualified to meet Sustain™ portfolio requirements are available upon request. Other made-to-order colors must be evaluated if sustainability criteria is required. Lead time will increase.
