30 Year Ceiling System Warranty

What is it about?

This programme is more than just a performance warranty. It means that the Armstrong systems you specify or install:

- Will be free from defects in design, material and workmanship if properly installed and used under normal conditions.
- Have the **technical expertise** and experience from the n°1 global suspended ceiling specialist.
- Have been **tested and accredited** for the key technical attributes.
- Have been site tested to demonstrate installation integrity and simplicity.
- Will be **supported** at every stage of the project by the Armstrong team.
- Will be repaired or replaced by Armstrong in the unlikely event of system failure attributed to unsatisfactory product / system performance as defined in the terms and conditions of the warranty.

How to get it?

To qualify for 30 year ceiling system warranty:

- Specify a system (Armstrong ceiling tiles and Armstrong suspension system) that is covered by Armstrong's 30 year ceiling system warranty. The list of products is available in the catalogue, online and on the 30 year ceiling systems warranty document.
- Install the specified Armstrong system in accordance with the recommendations in the current installation guides.
- The system must comprise only genuine branded Armstrong components which have been tried and tested by Armstrong. Armstrong cannot guarantee that the use of other manufacturers' components will meet our rigorous performance and quality standards when installed with our tested systems.
