SUSTAIN®
Ceiling Systems Meet Industry’s Most Stringent Sustainability Standards

Inspiring Great Spaces®

Armstrong
CEILING SOLUTIONS
Sustain® ceiling systems contribute to better spaces. Here’s how:

- Are free of Red List chemicals per Living Building Challenge®
- Have Health Product Declarations (HPDs) which tell you what’s in the product
- Have Environmental Product Declarations (EPDs) which tell you the impact of the products
- Have Declare™ labels — easy reference “nutrition labels”
- Are UL Greenguard Gold® certified and meet California Department of Public Health (CDPH) low emissions standards
- Contribute to - LEED® V4 (including new Materials and Resources credits)
  - Living Building Challenge™
  - Fitwel® Building Standard
- Tectum® is the first acoustical ceiling and wall solution to receive Living Product Imperative Certification!

Clean + Simple = Sustain

(Free of chemicals of concern per Living Building Challenge™ Red List)
(Easy to find)
(Meet today’s most stringent industry sustainability standards with the Sustain Portfolio)
