Two-Piece Trim for Drywall
Two-Piece Trim for Drywall: Integrated and pre-punched tapping flange for drywall attachment.

Two-Piece AcoustiBuilt Bottom Trim

- ♦ When specifying or ordering items with the standard color finish add the two-letter suffix to the end of the item number for face paint options. (e.g. 2-1/2" One Piece Trim for Drywall - Straight Blizzard White - AX1PC2STR Z W)
- * Bend will vary depending on ceiling type. Refer to install instructions for more information.
- † Multiple radii available in a single direction only.

DETAILS

CAD drawings available at armstrongceilings.com/axiom

One-Piece Trim for Drywall

Integrated and pre-punched tapping flange for drywall attachment.

One-Piece Trim for Drywall

Installed with AcoustiBuilt

PHYSICAL DATA

Material
Commercial quality extruded 6063 aluminum alloy

Surface Finish
Factory-applied baked polyester paint finish

Cleaning & Disinfecting
Cleaning and CDC-approved disinfecting options available on armstrong.com/cleaning

Warranty
10-year limited warranty
30-year system warranty

Additional Design Considerations
Colors that are pre-qualified to meet Sustain portfolio requirements are available upon request. Other made-to-order colors must be evaluated if sustainability criteria is required. Lead time will increase.

Profile
2-1/2", 4", 6", 8", 10" and 12" wide face with 3/4" horizontal flange or integral tapping flange

Cross Tee/Main Beam Interface
Flush Fit

End Detail
Splice with screws

ICC Reports
For areas under ICC jurisdiction, see evaluation report numbers ESR-1289 and ESR-1308 for allowable values and/or conditions of use concerning the suspension system components listed on this page. The reports are subject to reexamination, revisions, and possible cancellation.
