CALLA® Health Zone™
AirAssure™
Tegular & Square Lay-in
smooth texture

Smoothest mineral fiber ceiling available with factory-gasketed edges contributes to cleaner, safer, indoor air quality for every healthy space. Meets or exceeds USDA/FSIS, FGI, HIPAA and ANSI S12.60 guidelines.

KEY SELECTION ATTRIBUTES

- Factory-gasketed edges reduce air leakage through the ceiling plane to direct airflow more effectively and improve indoor air quality
- Get total noise control and floor plan versatility with Total Acoustics® ceiling panels: NRC + CAC = Total Acoustics Performance
- Anti-Bacterial/Mold/Mildew – Bioblock® Plus performance resists the growth of odor and stain-producing bacteria as well as mold and mildew on the ceiling tile surface
- Improved sound blocking performance – provides some of the highest speech privacy in the Total Acoustics portfolio with a CAC 40,
- Clean + Simple - AirAssure™ panels are part of the Sustain® portfolio and are free of Red List Chemicals for better indoor air quality
- Clean Room Performance up to ISO Class 5 (Class 100) using standard non-gasketed suspension systems
- Exceptional durability & cleanability – smooth, durable finish – impact-, scratch-, and soil-resistant
- CleanAssure™ – safe for use with disinfectant cleaners
- AirAssure™ ceilings enable easy conversion to negative or positive pressure-controlled spaces (without hold-down clips)
- Energy-saving, high light-reflective finish
- 30-Year Limited System Warranty against visible sag, mold, mildew, and bacterial growth
- Clean + Simple - AirAssure™ panels are part of the Sustain® portfolio and are free of Red List Chemicals for better indoor air quality
- Clean Room Performance up to ISO Class 5 (Class 100) using standard non-gasketed suspension systems
- Exceptional durability & cleanability – smooth, durable finish – impact-, scratch-, and soil-resistant
- CleanAssure™ – safe for use with disinfectant cleaners
- AirAssure™ ceilings enable easy conversion to negative or positive pressure-controlled spaces (without hold-down clips)
- Energy-saving, high light-reflective finish
- 30-Year Limited System Warranty against visible sag, mold, mildew, and bacterial growth
- Seamlessly integrates with Armstrong VidaShield UV24™ Air Purification System to improve air quality

TYPICAL APPLICATIONS

- Office – conference rooms, lobbies, cafe
- Education – nurses office, locker room, bathrooms
- Healthcare – patient rooms, nurses stations, treatment rooms
- Emergency rooms and 24-hour care
- Assisted living facilities
- Manufacturing control and break rooms
- Clean Rooms
- Pressure-controlled spaces

PHYSICAL DATA

| Material | Wet-formed mineral fiber with acoustically transparent membrane and polyethylene foam. Surface Finish: Acoustically transparent membrane with factory-applied latex paint. Fire Performance: Class A: ASTM E84 and CAN/ULC S102 surface burning characteristics. Flame Spread Index of 25 or less. Smoke Developed Index of 50 or less (UL labeled). ASTM E1264 Classification Type IV, Form 2, Pattern E; Fire Class A. Humidity/Stag Resistance: HumiGuard® Plus ceiling panels are recommended for areas subject to high humidity, up to but not including, standing water and outdoor applications. VOC Emissions: LEED® Gold Certified. Third-party certified compliant with California Department of Public Health (CDPH) regulations. Standard Method Version 1.2, 2017. This standard is the guideline for indoor emissions in LEED®. WELL Building Standard®. Living Building Challenge® (LBC), CalGreen Title 24, ANSI/ASHRAE/USGBC/IES Standard 189, ANSI/GBI Green Building Assessment Protocol. High Recycled Content: Classified as containing greater than 50% total recycled content, recycled content based on product composition of post-consumer and pre-consumer (post-industrial) recycled content per FTC guidelines.

Insulation Value
- R Factor – 2.8 (BTU units)
- R Factor – 0.445 (Watts units)

Installation Considerations
See installation instructions for more information on field-cut edges and guidance on AirAssure™ sealing tape.

Cleaning and Disinfecting
Cleaning and CDC recommended disinfecting options available on armstrongceilings.com/cleaning.

Energy Star: Windows, Square Feet/Carton
- 1354, 1359, 2228 – 1.0 lbs/SF; 48 SF/carton
- 1353, 1358, 2229 – 1.02 lbs/SF; 48 SF/carton

Minimum Order Quantity
- 1 carton
