**INSTALLATION DETAILS** (hardware included with panels)

Transform existing shared spaces into segmented areas with nonporous and easily cleanable wall partitions artfully designed in a variety of patterns and colors.

**KEY SELECTION ATTRIBUTES**

- Large format, standard 24” x 96” wall panels are easy to install and reconfigure existing layouts to meet social distancing guidelines
- Panels can be suspended individually or in groups from ceilings or attached to walls
- Panels can be field cut to accommodate the needs of your space
- Get panels fast: 5 colors available to ship in one week (see colors below)
- Unlike other divider or partition materials, PETG provides a long-lasting designer finish
- Panels and installation hardware packaged in one complete kit
- 2 piece minimum order

**INSTALLATION DETAILS**

- **Partitions Hanging Kit – Item 5825**
- **Floor Attachment Kit – Item 5828**

**PHYSICAL DATA**

**Material**
- PETG

**Surface Finish**
- Smooth

**Fire Performance**
- Infusions™ Resilient panels have been tested according to NFPA 286 and are equivalent to Class A Interior Finish as defined by the International Building Code. Contact TechLine at 1 877 276-7876 for specific U.S. and Canadian fire performance data.

**Installation and Design Considerations**
- Do not allow panel edges to get wet. Infusions Resilient panels are not approved for exterior application.
- Panel kits include ceiling hanging kit and floor mounting kit hardware. Floor mounting hardware is optional, but recommended. Floor mounting hardware requires field drilling pilot holes in panels.
- Linking kits must be ordered separately. Panels can be damaged by exposure to high temperatures. Panel temperature should not be permitted to exceed 100°F.
- CDC Recommended Disinfectants
- Products have been evaluated for use with the following CDC recommended disinfectants: 3% hydrogen Peroxide, Sodium Hypochlorite/Bleach (0.5% Solution), or Clorox Healthcare® Bleach Germicidal Wipes. Recommended Dwell Time of 10 minutes. More options and details available on armstrongceilings.com
