**FAST134 Program Considerations**  
Size of Job Matters: Big jobs, over 2500 SF or 50 pieces for shapes/vertical elements will have longer lead times.

**Location Matters:** Transit time not included. We are ready to ship in 1 week on FAST1 items. However, transit to the states west of Wyoming may add time.

**Distributor Truck Schedule Matters:** We rely on distribution to help move products around the country. When speed matters, work with your local distributor to ensure FAST134 service.

**Stock vs Made-to-Order Matters:** FAST3 & FAST4 items are made-to-order and will ship direct to distributor. FAST1 (stocked items) will go through distribution and depend on distributor truck schedules.
