## CREATE!™

### CUSTOM PERFORATIONS

[armstrongceilings.com/  
metalworkscree](http://armstrongceilings.com/metalworkscree)

MetalWorks™ Torsion Spring panels provide a monolithic visual with a unique hide-the-grid installation with 100% swing-down accessibility.

#### KEY SELECTION ATTRIBUTES

- Four new Sequels™ pre-coat, wood-look finishes are part of the FAST134 program, including downlight panels
- Seventeen standard Effects™ wood-look finishes offer design options in bold, subtle, and classic woodgrain looks
- Natural Reflections laminate finishes provide superior wood-look visual with printed vinyl bonded to aluminum, now Class A and Canadian fire tested; visuals other than the ones shown are also available
- Sustainable Beyond Standard: Select standard and custom panels are part of the Sustain™ portfolio, and meet the most stringent industry sustainability compliance standards today
- MetalWorks™ FASTPeel™ panels feature an easier-to-remove protective film
- CleanAssure™ family of products – includes disinfectable panels, suspension systems, and trim
- Custom bulkheads and trim available; Custom size capabilities ranging from a minimum 12" width up to 120" length
- Transform your images onto custom perforated MetalWorks™ Create!™ ceiling panels for a unique aesthetic plus acoustical performance
- NRC values up to 0.90 with fiberglass infill panels (select perforation patterns)
- Washable and impact-, scratch-, and soil-resistant

### HOW TO INSTALL PANELS

**Step 1**  
Pinch both legs of  
Torsion Spring together

**Step 2**  
Insert legs of Torsion Spring into  
slot found on Main Beam or Cross Tee  
(from underside of Tee)

**Step 3**  
Release Torsion Spring and push Panel  
into place, allowing Panel Return to  
sit flush with underside of Tee

### PHYSICAL DATA

#### Panel Dimensions

Panel dimensions range from a minimum 12" width up to a 120" length. Our Armstrong® Architectural Specialties project management team is available to assist in project design.

#### Material

Aluminum – thickness 0.032"; options up to 0.125". Panels also available in steel. Consult the Armstrong Architectural Specialties project management team.

#### Finishes

The Torsion Spring Plank Systems offer an extensive range of ceiling options for maximum design and installation flexibility, including multiple pre- and post-coated finishes.

#### Acoustical Options

Painted, Effects, Natural Reflections and Sequels finishes: Unperforated: ASTM E1264 Type XX Pattern G Fire Class A Perforated - ASTM E1264 Type XX Pattern C Fire Class A

#### Fire Performance

Painted aluminum and Ceiltex finishes tested per ASTM E84. Flame Spread Index 25 or less. Smoke Developed Index 50 or less.

CAN/ULC S102 surface burning characteristics: Flame Spread Rating 20. Smoke Developed Classification 0.

Painted Aluminum finishes CAN/ULC S102 surface burning characteristics: Flame Spread Rating 0. Smoke Developed Classification 0.

Laminate finish tested per ASTM E84. Flame Spread Index 75 or less. Smoke Developed Index 450 or less.

#### Recycled Content

Minimum 25%. Up to 98% recycled content available.

#### Design Consideration

Sizes can be mixed and matched on non-perforated panels only.

Reflections™ laminates and Brushalume are available in limited panel widths.

MetalWorks steel and aluminum panels are made at different manufacturing facilities that use different paint systems. Because of this, similar colors (i.e., White and Whitelume) are not exact color matches. Please consider this when designing adjacent spaces with multiple MetalWorks products.

#### Installation Considerations

Panels with certain product finishes, e.g., Effects™ and Natural Reflections, are not MetalWorks™ FASTPeel™ panels and will be protected by other means for packaging and handling purposes.

#### Wind Uplift Performance

24" x 24" and 24" x 48" panels noted for exterior flat applications tested for wind uplift Classes 30, 60, and 90. Specific installation instructions to meet these classes are available.

#### Design Support

For custom design assistance contact ProjectWorks® Design Services or visit [armstrongceilings.com/projectworks](http://armstrongceilings.com/projectworks)

#### Cleaning and Disinfecting

Cleaning and CDC approved disinfecting options available on [armstrongceilings.com/cleaning](http://armstrongceilings.com/cleaning)

#### Warranty

One (1) year limited warranty. Details at [armstrongceilings.com/warranty](http://armstrongceilings.com/warranty)
