

WOODWORKS® Grille – Classics

Solid Wood Wall Panels

CAD/Revit® drawings at:
armstrongceilings.com/cadrevit

WoodWorks Grille – Classics wall installation

These warm, natural wood walls are offered in a variety of finishes and design options.

KEY SELECTION ATTRIBUTES

- 10 new standard finishes on solid poplar are tinted to replicate naturally occurring wood tones
- Panels are part of the Sustain® portfolio and meet the most stringent industry sustainability compliance standards today
- Coordinating solid wood trims in 4" and 6" depths
- The natural warmth of wood can contribute to biophilic designs and building certification standards like the WELL™ v2 "Nature and Place" feature
- Select products included in the FAST134 program – ready to ship in 4 weeks or less
- CleanAssure™ family of products – includes disinfectable panels, suspension systems, and trim
- Custom slat sizes and finishes available for every project
- Install in the ceiling, on the wall, or create ceiling-to-wall transitions
- FSC® certified wood options available as a premium quoted option
- Made in the U.S.A. of domestic and global content
- Build America, Buy America (BABA) Act compliant

FINISH RANGES ON SOLID POPLAR

Our tinted finishes allow the natural character of the poplar to shine through. The images here reflect the visual range that is likely within our product. Installers will want to lay out panels before installing to achieve preferred aesthetic.

Bleached Grey (GBG)

Classic Grey (GCG)

Carbon Grey (GCB)

Rich Mahogany (GRY)

Antique Oak (GAO)

Red Oak (GRK)

English Chestnut (GEC)

Golden Maple (GGM)

Natural Walnut (GWN)

Warm Oak (GWO)

Forest Walnut (GFW)

CUSTOM FINISHES

Custom Wood Species and Finishes Available

Panel backers are black. Made-to-order, custom backer colors available.

LEGACY FINISHES

Maple (GMP)

Light Cherry (GLC)

Dark Cherry (GDC)

White (GWH)*

Due to printing limitations, shade may vary from actual product.
* Painted White finish is not included in the Sustain® portfolio.

	RC2BL	RC2 Radius Clip	N/A	Black	205
	7290GBL	WoodWorks Grille Flat Backer	7/8 x 12 x 1/2"	Black	18

◆ When specifying or ordering, include the 3-letter finish suffix that coordinates with your WoodWorks® wall: (e.g., 5671 G M P).
NOTE: For integration with Axiom® trim (Black recommended for use with solid wood).

SYSTEM INSTALLATION DETAILS

Wall Backer Assembly
Slat sizes over 2-1/4" are not recommended for wall applications. Contact TechLine for details at 877 276-7876.

PHYSICAL DATA

Material
Slats, Backers, and Tegal panels – solid Poplar.

Surface Finish
Clear or tinted semi-gloss coating on all finishes except White (GWH), which has a lacquer finish.

Fire Performance
Class C: ASTM E84 surface burning characteristics. Flame Spread Index 200 or less. Smoke Developed Index 450 or less.

Fire performance will vary between wood species.

Flame stop coating is available as a custom option. Contact ASQuote@armstrongceilings.com for details.

Application Considerations
Variation among panels may occur due to the natural characteristics of the wood and grain.

Design Considerations
Custom slat and panel sizes available. Panel backers are black; consider installing panels on a dark wall or backdrop. Custom backer colors available.

For installations where slat alignment is critical, please see the WoodWorks Grille – Forté product line.

Site Conditions
It is very important that panels are climatized prior to installation. Relative humidity between 25% and 55%, and temperatures between 50°F and 86°F, must be maintained.

Installation Consideration
When junction accessory is not used, the result will be a 1" gap between slat lengths.

Seismic Restraint
WoodWorks Grille – Classics panels have been engineered, tested, and approved for application in all seismic areas when installed per Armstrong Ceilings & Walls installation instructions.

FAST134 Program Considerations
Size of Job Matters: Big jobs, over 2500 SF or 50 pieces for shapes/vertical elements will have longer lead times.

Location Matters: Transit time not included. We are ready to ship in 1 week on FAST1 items. However, transit to the states west of Wyoming may add time.

Distributor Truck Schedule Matters: We rely on distribution to help move products around the country. When speed matters, work with your local distributor to ensure FAST134 service.

Stock vs Made-to-Order Matters: FAST3 & FAST4 items are made-to-order and will ship direct to distributor. FAST1 (stocked items) will go through distribution and depend on distributor truck schedules.

Design & Pre-Construction Service
For complimentary design and pre-construction assistance, contact ProjectWorks® or visit armstrongceilings.com/projectworks

Cleaning and Disinfecting
Cleaning and CDC approved disinfecting options available on armstrongceilings.com/cleaning
