Axiom® Profiled Convex trim

This pre-engineered trim offers four dramatic profiles that coordinate with acoustical or drywall ceilings for decorative finished visual.

KEY SELECTION ATTRIBUTES

- Extruded aluminum provides crisp edge detailing and excellent corrosion resistance
- Axiom® trim is part of the Sustain™ portfolio and meets the most stringent sustainability compliance standards today
- Finely articulated drywall trim with beaded edge integrates with all trim profiles to provide a pre-engineered solution for drywall transitions
- Ultimate design flexibility – four decorative profiles; Convex, Concave, Cove, and Crown
- Colors coordinate with Armstrong® ceiling and suspension systems; custom colors available

COLORS Due to printing limitations, shade may vary from actual product.
