LOCATION DEPENDENT

Axiom® extruded aluminum Glazing Channel trim for 3/8" and 1/2" glass partition walls offers fully concealed integration with all Armstrong® acoustical and drywall ceiling systems for a clean installed visual so glass can disappear into the plenum.

KEY SELECTION ATTRIBUTES

- 5 trim profile options to coordinate with lay-in, Tegular, and Vector® ceiling panels and Drywall Grid Systems
- Axiom is part of the Sustain™ portfolio and meets the most stringent sustainability compliance standards today
- Coordinated fit and finish ensures delivery of design intent
- Seismic solution for category D, E, F installations
- Coordinates with Armstrong® ceiling and suspension systems, custom colors available
- 10-Year Limited Warranty, 30-Year System Warranty

TYPICAL APPLICATIONS

- Offices
- Retail
- Education
- Hospitality
- Healthcare
