**ARMSTRONG CEILING SOLUTIONS TO INCREASE PRICE OF MINERAL FIBER, FIBERGLASS
CEILING PANELS AND SUSPENSION SYSTEMS**

Geographic Coverage: US, Latin America, Canada – Commercial Distributors, Contractors,
and Retail

LANCASTER, PA – Effective Monday, August 4th, 2025, Armstrong Ceiling Solutions will:

- Initiate a 5% price increase on all mineral fiber ceiling panels
- Initiate a 7% price increase on all fiberglass ceiling panels
- Initiate a 5% price increase on all acoustical, drywall and aluminum suspension systems

The price increase is due to increased raw materials, including steel, aluminum, paint and packaging.

For longer-term future quotes, we suggest the following pricing:

- An additional increase of 5% for quotes on or after February 2nd, 2026
- Another additional increase of 5% for quotes on or after August 3rd, 2026

This Pricing Bulletin and the above guidance are based on current available information and conditions. Consistent with past practices, we will provide updated pricing information in the form of list pricing, bulletins or other notifications, as appropriate, as additional information becomes available. As always, you remain free to quote, price and contract at whatever pricing you may choose in your discretion. Please always feel free to contact your local area manager with any questions or requests for assistance.

We appreciate and thank you for your business.
